

Find More Fun

There's always something fun happening with Parks, Recreation & Neighborhood Affairs (PRNA)! In addition to the City's 100+ parks totaling nearly 4,000 acres, along with over 70 miles of trails, PRNA hosts a range of programs designed to keep our community moving, smiling and connecting—no matter your age or stage of life. Whether you're looking for playtime, purpose or a little friendly competition, PRNA has you covered.

With 12 City-run Community Centers in operation, there's no shortage of regular programming and special events offered. Arts and crafts classes, skate nights, camps for kids, dances, game nights and more are available to keep your calendar full of fun.

Learn more about the many activities available through PRNA at [Facebook.com/COTParks](https://www.facebook.com/COTParks) and find details about each Community Center at [Talgov.com/Parks](https://www.talgov.com/Parks).

Earn and Learn This Summer

The City of Tallahassee offers internships designed to give students real-world experience and help them build a strong foundation for their future careers. If you know an undergraduate or graduate-level student considering a long-term career in local government, this is a great opportunity. As the largest single provider of municipal services in the region, City internships exist in a wide range of fields, including communications, engineering, technology services, human resources, environmental services, planning, public safety, parks and more.

These internships provide meaningful, project-based work that adds real value to City operations while giving students the chance to further develop their professional skills. To qualify for an internship, applicants must be current students or recent graduates (within one year) of a college, university, technical or vocational school. Learn more about the program requirements, hiring process and opportunities available at [Talgov.com/Jobs](https://www.talgov.com/Jobs).

Keep Your Cool This Summer

Need to replace your HVAC system before the hottest months of the year? The City offers energy-efficiency loans for customers. Financing is available for various energy-saving appliances, measures and systems. A free home energy audit is a great first step to a more energy-efficient home and required for many loan measures. Learn more about loans available at Talgov.com/YOU.

Cash for Trash

If your spring cleaning includes clearing out bulky or hazardous waste that cannot be left at the curb, mark your calendar to attend Cash for Trash! Customers with an active garbage account receive a \$5 credit at Cash for Trash on Saturday, April 18, from 8 a.m. to 2 p.m.

The biannual event takes place at the City's Community Beautification and Waste Management facility located at 2727 Major James Morgan Jr. Way, just off West Pensacola Street near the Messer Field softball complex.

For all City of Tallahassee utility related inquiries, please call 850-891-4968 or visit Talgov.com.
